*Dear Ms Prahl,*

it was a real pleasure for me to participate to Kid's Festival 2013. The success of this edition, which marked the 10<sup>th</sup> anniversary of the Festival, demonstrated the scale and importance that this event has reached in the social and cultural life of Bosnia Herzegovina and beyond.

In line with the previous editions, also this year the Festival gave to the children a great opportunity to share a learning experience and to have fun together regardless of cultural, social and ethnic barriers. I especially thank you and all the staff of the Kid's Festival for making this possible.

The Embassy of Italy has supported the Kid's Festival since its very beginning and looks forward to actively supporting it for future editions, as it fully shares its spirit and ambition to contribute to a better future for young generations of Bosnia Herzegovina.

*with the best regards*
